

# Bringing *Intelligent Simplicity* to life at IDS Cologne 2023

Dear

We at Neoss invite you to attend our press conference on **Wednesday 15th March**, during IDS Cologne 2023 at **Hall 11.3 Stand G010-H029**.

## Neoss Press Conference at IDS Cologne 2023

**Time:** Wednesday 15th March, 11:30am CET

**Location:** Neoss Booth, Hall 11.3 Stand G010-H029

**Refreshments will be served:** Coffee, Swedish fika and sandwiches

For over 20 years, Neoss has developed smart solutions that allow dental professionals to provide reliable and cost-effective treatments to their patients with predictable long-term results.

The press conference will introduce a new Digital Workflow that all dental clinicians can implement, consisting of just 6 easy steps that will help them save time and money, while increasing predictability and delivering the best functional and esthetic outcomes for their patients

In addition, we will unveil a new type of PTFE membrane EXCLUSIVE to Neoss that is taking PTFE membrane innovation to the next level, the NeoGen® Cape. This solution requires fewer treatment steps, thanks to direct fixation to the implant for predictable vertical bone growth.

This is not all. We also promise a surprise guest that is not to be missed.

To confirm your attendance, please scan the QR code, fill in your information and forward it to anyone else in your team that would be interested to attend.

We look forward to seeing you on Wednesday next week.

Kind regards,

Dr. Robert Gottlander  
CEO & President of Neoss Group

REGISTER
